I called Angela to check in. She got the TSCA letter and will be discussing with Dawn this Friday and will let us know on Friday if they have any concerns.

She is preparing an email response to Elaine on the IRA/DNAPL concerns and expects to get that out this week. She and Nobis are looking at the info Elaine sent.

On Phase III, she will be looking to send an invite out for EPA and DEP only call or meeting on November 7, 8 or 9. She is still waiting on response from Marilyn on larger meeting availability – Marilyn said she would check with others and get back to her. I said that when she gets dates from Marilyn to resend a request to us with those dates and we will reply on availability at that time – this will definitely be after our EPA/DEP call/meeting (likely week of 11/14 or later).
